Welcome to Rainbow Kids Preschool!

We are so excited to have your little one join Rainbow Kids Preschool this school year!

We have a full 10 months of fun planned for your little one. Your child will be engaged and involved in all sorts of learning activities!

Our goal is to help your child develop the educational skills they will need when entering public or private schools. Rainbow Kids Preschool will help your child develop math, reading, writing and science skills that they will be able to utilize throughout their life.

Please keep in mind that toddlers learn and develop skills through play. They also grow in self-confidence and build relationships through play. It's important for children to explore their interests and surroundings in a safe environment.

Here at Rainbow we want to ensure that your child learns in a safe environment. We want to give your child the cognitive boost they need before entering grade school.

Within this packet you will also find the supply list. Please provide those items within the first week of school.

Again, thank you so much for allowing us to help your little one this school year. We ask that you remember our Board of Directors (Kelly Bryowsky, Emily Raines, & Jenny Thompson) in your prayers as they oversee this amazing school. And we ask that you pray for the teachers and children that attend Rainbow.

Thank you again for entrusting us with one of your most precious gifts.

Should you ever have a concern or need please feel free to reach out.

Sincerely,

Tonya M. James

Director of Rainbow Kids Preschool
